

Franklin Academy Fantasy Sports Club

Would you like to manage LeBron James? Would you draft Cam Newton over Andrew Luck? Do you prefer to pick more players from the Dolphins or the Packers? Guess what? In our fantasy sports club you can make all these decisions and more! You will pick your team and watch it play in weekly matches against other club members.

The goal of the Fantasy Sports Club is to give students an opportunity to interact in an enjoyable, semi-competitive way through fantasy sports.

Students will have the option to participate in a fantasy football league, basketball league, and baseball league as the seasons progress. Once in the club, students will manage their online sports team and participate for a league championship! All online leagues are private (no access outside of students directly participating) and are administered by Mr. Garron.
