

Glee/Beatz! Club

Are you always singing? While you're working, walking or even in your sleep? Or do you play an instrument such as guitar, bass, keyboards or percussion? Then join our Franklin Academy Glee Club Chorus!! We need strong singers and back up musicians to put some cool tunes together. We want to start a Glee Rock Band!!

The Franklin Academy Glee club chorus is for kids who want to perform and think they have a strong voice. Musicians should also come as the performances will need accompaniment. Students will use this time to put together pop music performances. Repertoire will include pop music from the last years until the present. Students will perform a wide variety of music and will be expected to have an open mind to music they have never heard before as well as material they are familiar with. Glee/Beatz! will be meeting in room 112 and is open to all ages.

So come joins us and fill the Boynton Beach campus with beautiful music!!
