

Summer Assignments K-8

Dear Parents and Families,

We have three requirements for the summer for your students.

1. **45 minutes of i-Ready in math and 45 minutes in reading a week.**
2. **Summer Reading Challenge**

For the summer reading challenge, students must read a total of 5 books from 5 different genres and fill in the titles on the sheet that is provided on our website. Due: August 14, 2017.

3. **Summer STEM Projects**

There are 3 STEM projects posted on our website. One for grades K-2nd, one for grades 3rd-5th, and one for grades 6-8th. These projects will be due on the first day of school, August 14th and students will have a chance to present them to their class in either Science or Social Studies. The points awarded for this activity will be posted as a project grade in their Science class.

Thank you and have a wonderful and safe summer vacation!

Ms. Rena Roseff-Tornopsky
Principal
Franklin Academy, Boynton Beach
